

DISTRICT 5 (Western)

The chief event of the month was, of course, the Provincial District Meeting. Those attending had a very pleasant time and details will be found elsewhere in this issue.

At the April meeting of the Bristol members, it was decided to compile a Crystal Register. It is essential that all crystal frequencies used by members throughout No. 5 District be included, so please send details when reporting to your T.R. or D.R.

It was also decided to hold Morse classes to enable A.A. and B.R.S. members to become proficient up to 12/15 w.p.m. and the Committee is proceeding with practical arrangements.

Local activities are: 6VF getting fine results with a 6L6 quadrupling from a 3.5 Mc. crystal to

Vic Desmond, G5VM flies George Brown, G5BJ, to the Bristol P.D.M. The local group with our President and Secretary journey to Whitchurch as a reception committee. Our photograph shows from left to right G5BJ, 2WO, 5AR, 5VM, 6RB, 5JU and 6XC.
